Professor Åke Borg
- 12.05 Clinical diagnosis of HER2 positive disease (focus on clinical application)
Ass. Professor Johan Hartmann
- 12.40 Lunch
- 13.40 Shorter duration, longer duration, double blockade, antibody drug conjugate, which treatment to which patient?
Professor Sandra Swain
- 14.25 PREDIX data in context
Ass. Professor Thomas Hatschek

- 15.00 Coffee
- 15.30 Regional and country based uptake of important drug innovation with focus on HER directed drugs
Ass. Professor Nils Wilking
- 16.05 Personal reflections on 20 years development of anti-HER 2 therapies
Professor Per Eystein Lønning
- 16.25 Discussion and closure
MD PhD Ana Bosch Campos and Ass. Professor Theodoros Foukakis

Registration

For registration, use the link
<https://reg.akademikonferens.se/her2020>
no later than May 20.

If the number of registrations for the symposium exceeds the number of places available, places will be allocated with a view to achieving a balanced regional spread.

The symposium is free of charge but if you fail to appear without reporting it, you will be charged a cost of SEK 500.
