# Virtual Nordic Hematology Debate 2021

## Advances in treatment of Chronic Lymphocytic Leukemia, Amyloidosis, Multiple Myeloma and Mantle Cell Lymphoma

March 23–25, 2021

We hereby invite you to a Virtual Nordic interactive Hematology Debate with international experts.

**March 23: 5.00 p.m.–6.30 p.m.**

**March 24: 4.30 p.m.–7.00 p.m.**

**March 25: 5.00 p.m.–6.30 p.m.**

This 3 afternoon virtual meetings will cover advances in the treatment of Chronic Lymphocytic Leukemia, Multiple Myeloma, Amyloidosis and Mantle Cell Lymphoma.

This meeting will consist of state-of-the art lectures on the latest therapeutic area progress. After each lecture there will be therapeutic area specific interactive workshops to discuss current treatment practices, complex educational patient cases and recent clinical study results.

The meeting is targeted towards physicians, both specialists and those during education in hematology and oncology with interest in above therapeutic areas.

After the meeting you will be updated on the current treatment practices of today and also, be aware of the latest scientific and clinical advances in each therapeutic area.

The content of the meeting is defined solely by the Scientific Committee without any influence of Janssen. We hope that you will find the program interesting and valuable for your daily clinical practice.

Welcome!

Kind regards,
